# YELLOW/RED/WHITE CARDS

## Yellow Cards

**IF** an umpire believes that a player has committed an offence, they will be shown a yellow card.

**IF** a player is shown a yellow card, the player is to be sent off for a total of 15 playing minutes. The player can be replaced on the ground at the time, however is ineligible to take the field until the 15 playing minutes have passed. It is the job of the team manager to ensure a total of 15 minutes has elapsed.

All yellow cards are recorded by the league, with clubs notified in the days following the match.

**IF** a player receives their second (2) yellow card in the same season, they will receive a one (1) match suspension. The player will serve a one (1) match suspension for every yellow card received for the remainder of the season.

Yellow card offences can include, but are not limited to:

- Abuse
- Dangerous Tackle
- Failing to leave the area when directed
- Metal Studs
- Piercings not removed
- Rough conduct
- Striking or attempting to strike
- Umpire Abuse
- Wrestling
- Any other act that the field umpire believes is not within the spirit of the game.

## Red Cards

**IF** an umpire believes that a player has committed a serious offence, they will be shown a red card.

**IF** a player is shown a red card, the player is to be sent off for the remainder of the match. The player can be replaced on the ground at the time by a player on the interchange. It is the job of the team manager to ensure that the player who has been shown a red card does not participate in the remainder of the match

All red cards are recorded by the league, with clubs notified in the days following the match.

**IF** a player receives a red card in the season, they will receive a one (1) match suspension effective immediately. The player will serve a one (1) match suspension for every yellow or red card received for the remainder of the season.

Yellow card offences can include, but are not limited to:

- Receiving a second yellow card in the same match
- Intentionally, recklessly or negligently making contact or striking an umpire
- Attempting to make contact or striking an umpire
- Intentionally, recklessly or negligently kicking another person

- Any act of misconduct if the umpire is of the opinion that the act constituting misconduct is serious in nature

## White Cards

Where unacceptable behaviours are emanating from the coaching box, a three-phase system will be undertaken by the field umpire(s) via the use of white and red cards to stop such behaviours in real time.

### Three Phase System:

1. Phase 1 – A warning (**White Card Shown**)
2. Phase 2 – Another warning, free kick and 25m penalty (**White Card Shown**)
3. Phase 3 – Head Coach reported and removed from the game, free kick and 25m penalty (**Red Card Shown**)

**IF** misconduct is of a serious nature, the field umpire(s) may choose to show a red card at any stage.

The head coach holds the responsibility of the white card. Regardless if it is an assistant coach, trainer, runner, injured player or spectator around the box, if a white card is shown the head coach is held accountable.

It is important that only officials which are permitted to be in the coaching area are properly attired with armbands (No Injured Players).

The league strongly advises that the Head Coach keeps the areas surrounding their coaching box free from parents and spectators to avoid any indiscretions.

All white cards handed out within a season are recorded at league level.

As white cards are received, the following procedure is followed at league level:

#### Coach receives 1<sup>st</sup> White Card for Season

- Club is alerted and potentially fined

#### Coach receives 2<sup>nd</sup> White Card for Season

- Club is alerted and fined
- Coach must complete education module before coaching again

#### Coach receives 3<sup>rd</sup> White Card for Season

- Club is fined and Coach receives a 1 match penalty
- Coach receives citation with the AFL and has potential to lose coaching accreditation

## REPORTABLE OFFENCES

In all sanctioned EFNL matches umpires have powers under the AFL Laws of Australian Football to report any player for a breach.

In the event of any reportable offence taking place during the progress of any official match or on the day of the match, the field umpire(s) shall have the power to report players or officials in respect of the offence.

Should a player be reported during a game the following process will take place:

1. **ONLY** the Team Manager is permitted to attend the umpire's rooms.
  - NO other team officials, players or parents are permitted in the umpire rooms.
2. The field umpire(s) will then provide both team managers a copy of the report.
  - Depending on the level of severity of the offence the umpire may choose to either offer a set penalty OR direct the matter straight to the tribunal.
  - Once the Team Manager has been given a copy of the report, no further action is required on game day.
  - Team Managers should give the report sheet to their Club Secretary or other Executive member as soon as possible.
3. **IF** a set penalty has been offered, the Clubs will have until Monday 12pm to advise the EFNL Junior Football Manager if the set penalty has been accepted.
  - If communication has not been made to the EFNL Junior Football Manager by the above deadline, it will be assumed the set penalty has been accepted.
  - If Clubs choose to **NOT** accept the set penalty, the report will be heard at a tribunal hearing. All affected Clubs will be notified with further details.
4. **IF** the officiating umpire has directed the matter directly to the tribunal **ALL** affected Clubs will be communicated to with further details.

## TRIBUNAL

All details regarding hearings at the Tribunal will be communicated to ALL affected parties once confirmed. Tribunal hearings will be held on Tuesday evenings at EFNL House.

If a Club chooses to challenge a set penalty the Club will be subjected to a \$250 fine if the challenge is unsuccessful.

Successful challenges do not incur any fine.

We require all parties involved in the report (charged player, witness player and umpire) to attend the tribunal. Each of these parties may be represented by an advocate. The witness player can also be represented by an advocate. We strongly suggest that the advocate is not a relation of the player.

## INVESTIGATIONS

If an umpire does not view or does not report an incident that may be perceived as reportable, the aggrieved club may lodge a request for investigation with the EFNL Junior Football Manager by no later than 4:00pm on Wednesday. If an investigation is requested the Club will be subject to a \$350 bond.

The League will appoint an independent investigator to review the matter. This will include interviewing all parties involved and any witnesses present. Once this process is complete the independent Investigator will advise the EFNL Junior Football Manager of their findings. The EFNL Football Manager will advise the affected Clubs of the findings and will communicate any sanctions to be enforced.

## MOVEMENT OF PLAYERS WITHIN AGE GROUPS – JUNIORS

### Under 11 to 16

Where a club fields more than one (1) team in the same age and grade a player is permitted to move between teams. However:

- Once a player has played five (5) matches in the higher graded team, that player may not move to the lower graded team for the remainder of the season.
- Players in the lower graded team are free to move to the higher graded team during home and away matches.
- The first team a player plays five (5) matches in is the only team that player is eligible to represent in the finals series.
- Where a bye is fixtured in the higher graded team, no player is permitted to move to the lower graded team during the week of the bye.
- If a club with multiple teams in one age group forfeits a match, the forfeit should occur in the lower rated team.

Where a club field's more than one team (1) in the Under 17.5 competition, a player is permitted to move between teams. However:

- Where a bye or split round is fixtured in the higher graded team, no player is permitted to move to the lower graded team during the week of the bye.

- A player must play at least 3 matches for the respective team during the home and away season to qualify to play in the finals series for that team.
- Any player playing more than 7 matches during the home and away season in the higher graded team is ineligible to play with the lower graded team in the finals.
- A player is only permitted to play in the finals series for one of the clubs Under 17.5 teams. Unless an 'exceptional circumstances' submission is lodged by the club, which outlines the grounds for consideration and is approved by the EFNL Administration.
- If a club with two teams in the Under 17.5 competition forfeits a match, the forfeit should occur in the lower rated team.
- **Prior to either team playing an official game, a list of 15 players who are only eligible to play in the higher ranked team must be submitted to the EFNL Junior Manager (Under 17.5).**
